Class 18—ROYAL DUBLIN SOCIETY'S PREMIUMS FOR MARES.

The Society offers Three Premiums, each value £16, and One Reserve Premium to Farmers who present a suitable mare (not thoroughbred) 7 years old or under, before a Judge approved by the R.D.S. who shall certify that the mare is likely to produce a high-class Hunter.

The Premium will not be payable until a Certificate has been received from a Veterinary Surgeon (appointed by the R.D.S.) that the mare has had a living foal, by a Licensed Thoroughbred Stallion, within 12 months from the date of the Show, such stallion to be aproved by the Royal Dublin Society. A Certificate by the Stallion owner that the mare has been so covered must be lodged with the Secretary for transmission to the R.D.S.

The Royal Dublin Society must be notified by the Owner immediately a Premium-winning or Reserve mare foals, so that the necessary Veterinary Inspection may be arranged.

If the conditions are fulfilled, the premium will be paid to the person who is the Owner of the mare at the time of the adjudication.

The decision of the Royal Dublin Society shall be final on all questions arising out of the Scheme, whether as to the bona fides of the Farmer or otherwise.

FORDSON 5-Cwt. VAN :—

With 65 cubic feet of load space, this smart 5-cwt Van is one of the most economical delivery units on the road. Day in, day out, and all the year round, it does its job, always looking smart, and costs very little to run and maintain.

FORDSON 10-Cwt. VAN :

Capacity — 120 cubic feet, with jerk-free transmission and special springing to protect goods. Wide rear doors provide ampleroom for loading and unloading ,and big display spaces on sides, make it not only a dependable vehicle, but also a travelling sales advertisement for the goods it carries. Its sturdy 10 h.p. engine provides adequate power, and yet is economicl in every way.

FORDSON 10-Cwt PICK-UP TRUCK :

For those light jobs which do not justify the use of a large capacity vehicle, this Pick-up is the answer every time, for it has strength for tough loads, and is handy for awkward places. Load space is approximately 6'8" x 5'2", with detachable side and tail boards. Power is supplied by the Ford 10 h.p. engine.

THAMES TRUCK :

The Thames is the Truck for delivery jobs, haulage and most transport problems. Tests have triumphantly proved them tough, powerful and economical. They are suited to every trade, for a body can be chosen to meet individual requirements. Servo-assisted brakes ensure safety. Available either with Petrol or Diesel engines, with choice of 128" or 157" wheelbase.

FORD 8-CYLINDER TRUCKS:
