Handbook on Application

Rossmore Park, Cashin, Monaghan,
July 28th, 1924.
Gentlemen,

I enclose cheque for last box of Constitution Balls you sent me. I must say it was a lucky day for me when I started using them as a cure for Murrain or Red Water. As after treating 148 Cattle for that disease within this last two years, I have never had them once to fail, and I consider them the best on the market and always recommend them to all my neighbours, who now look to them being a Certain Remedy for Red Water.

Yours faithfully,
S. McVinnie.
Laud Steward to the Rt. Hon.
Lord Rossmore.

And for Securing in Calves and Lambs they are almost infallible

They restore the healthy functions of the Digestive Organs, fortify and strengthen the constitution, give tone and vigour to the whole system, and prevent the injurious results of over exertion or improper feeding. Bullocks fatten much faster by occasionally having a Ball, and by their frequent use Young Animals grow to a larger size and come to earlier perfection with the same quantity of food

Prepared upwards of 50 years by the late
