The Secretary reported that the City Manager agreed, as a result of an interview with Hon. Secretary and he had with the City to erect a wall, 31 high, at the eastern Society's grounds in lieu of the Society over to him a piece of ground (the part the Society) at the eastern end of the enclosure. The necessary legal documents be drawn up in due course, but the same Committee was required before the legal would be instructed to draw up the necessary assignments. The Finance Committee has

sanctioned this matter at their Meeting and had also sanctioned that the wall erected up to 6' or 6' 6" at an approximate £300, the expenditure on the wall from to be borne by the Society, but it was that the salvage from the existing wall realise one-third of the total expenditure
