WELCOME TO CORK SUMMER SHOW

It is my great pleasure to welcome you to the 1994 Cork Summer Show.

At times, we ask ourselves what the Show is all about and with all the many and various activities that take place, it is possible to overlook the main object of our Show. Basically, we provide the facilities for the exhibiting and judging of the very best products of the agricultural sector and make awards to the best in class. This year I am very happy to again announce that the entries are at record levels.

This year, we have many innovations to attract the public and increase the interest in the Show overall. We are pleased to announce the visit of the world famous Racehorse "Desert Orchid" The hardworking Flowers & Gardens Committee have introduced an Outdoor Gardening Competition for the first time, as well as their marvellous display in the Marina Hall.

I am delighted to announce that Macra na Feirme who are 50 years old this year, will be holding a bigger and better Summer Efficiency Skills Competition at the Show.

This year, we have a great interest in Trade Stands. We are glad to announce an increase in applications and many Motor Companies are back again.

The Food Hall has been improved and revamped. It is now the largest in the country.

Arts & Crafts are holding their 70th Anniversary this year and have a major increase in their entries.

96 and 103 FM are broadcasting for the duration of the Show from the Showgrounds.

The outstanding feature of my experience as Chairman of the Cork Show is the total voluntary dedication of the Chairman and Committees of our members who work so hard to produce to organise our Show.

My sincere thanks to Helen O'Sullivan, Patricia O'Reilly, Phil Dinan, Ann O'Reilly and Pat Dennehy who all work so efficiently and cheerfully.

With very many thanks to our Exhibitors and Sponsors for their support and I hope you will enjoy this year's Show.

Kate Horgan
