CHAIRMAN'S ADDRESS

Welcome to the Cork Summer Show organised by the Munster Agricultural Society.

This year the Show is a two-day event. We welcome the return of the Bovine Section, with cattle entries well above our expectations. There are increased entries in the Equine Section, with exhibitors coming from all parts of the country. The Mounted Pony Games is a first for Munster and we wish them success. We also host Farmers' Market and Traditional Craft Trade Stands and many other attractions.

I would like to thank our sponsors without whom the Show could not take place. I would also like to thank our staff and the members of the General Committee for all their work in organising the Show.

A lot of money has been spent in upgrading our grounds, in particular the show jumping arena. This programme of redevelopment will continue. The Show Grounds are for the people of Cork. It is the aim of the Society to make the Show Grounds the event centre for Cork City and County.
