Chairman's Address

A Chairde,

It gives me great pleasure to welcome you here this weekend, to the 167th Cork Summer Show.

We have now been one hundred and eight years at this location, having previously started in Cornmarket Street, in 1842, followed by Anglesea Street, and in 1891 the Cork Racetrack (now the Marina Commercial Park).

To mark this occasion, the Society has commissioned a Historical Record be created of the Society over its lifetime. This will be published in late 2008, early 2009.

A special word of thanks is due to our sponsors, and to those who subscribe to the Society, to our staff, and volunteers, as without their support it would not be possible to run this event, which helps to bring all of the community together.

I would also like to thank our Judges, who travelled here today, their commitment is appreciated and recognised.

Our stewards and safety officers are here to make the Show an enjoyable, safe and rewarding experience, for all concerned, so please work with them.

Last of all, but by no means least, on behalf of the Society I wish to thank YOU the Competitor and YOU the visitor, for your support.

Many of you may wonder, will Cork Show run in 2009. At this point, I can confirm that the Show will operate next year, maybe not at this location, but rest assured it will operate, and for many years to come.

Go raibh míle math agaibh agus go n-éirí an mbóthar libh.

Some insurers just see farm machinery.
We see the harvester Dermot Slattery
named 'Mondello' because of the
way it handles corners.

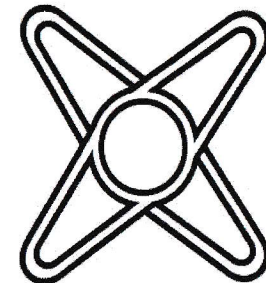

There's a lot more to insurance than just figures and paperwork. There are names and faces and years spent getting to know customers from the grass roots up. FBD has built lasting relationships with the farming community for over 40 years. That's why we offer a more appropriate, personal and effective insurance service. **Talk to us today at Unit 2A, University Technology Park, Curraheen Road or call us on 021 4544299.
